22-201 Action/Discussion-School Security: Door Lock System
Our recommendation for the Door Lock System is the Nextech System at a cost of \$58,541.70. The Kansas Legislature has budgeted the Safe and Secure Grant for the 2023 School Year. It is a matching grant, so our project will cost the district approximately \$29,000 if the grant is approved. The district will know on July 14th if we were awarded the grant. I would recommend the Board approve the project contingent on the grant being approved by KSDE.
