

John Terry Scholarship

Coach Terry spent 44 years of his career teaching and coaching in Rawlins County. He was a math teacher and a coach for football, basketball and track. He believed that Atwood, Kansas was the closest place to paradise to be found, living just a few blocks from school, five minutes from the golf course and 25 minutes from Swanson Lake. He enjoyed fishing, golfing, hunting, and best of all doing these things with his wife, five children, grandchildren, great grandchildren and former students/athletes. Growing up and going to school in NE, just near the KS border, he became an avid NE fan and was till his

death. This quote from a former student describes him well: "Mr. Terry was a staple for so many of our lives up at Atwood (Rawlins County) High School, from math class to athletics to a soft-spoken advice and smile."
